	Next meeting: OED Executive Board to be held on Wednesday 21 October 2026 from 1430 – 1630 via MS Teams. One Eastern Devon Partnership Forum to be held on Tuesday 8 December from 1330 – 1330, face to face, Lecture Theatre, Aperture House, Pynes Hill, Exeter EX2 5AZ		

Our ambition is for the Forum to become the place where the One Eastern Devon network continues to learn together, strengthen relationships, notice what is changing across our places, and turn shared insight into practical actions.

We want the Forum to help us:

- keep One Eastern Devon place-led and rooted in community voice
- build the relationships and trust needed for genuine collaboration
- make sense of what is changing across Eastern Devon and learn from what is working
- embed our Health Inequalities Framework and strengthen our collective focus on prevention and health equity
- create a meaningful connection between communities, the wider partnership, our subgroups and the Executive Board
- move beyond simply sharing updates towards learning together and doing things differently together

Who we hope will be in the room:

- The One Eastern Devon Partnership Forum is an open membership. Anyone involved in the health and wellbeing of residents (including wider determinants) within the Eastern Devon locality is invited to attend. We especially encourage attendance and representation from:

NHS, VCSE, local government, public health, primary care, housing, emergency services, education, social care, faith groups, community organisations and, importantly, people and communities themselves.

Agenda

- Items in bold on the agenda above are proposed standing items, the sections that keep us on track with our objectives and purpose.
